

Docs — Method & References

Purpose

Authoritative documentation for AWO (whitepaper, method spec, citation files).

Expected contents - `AWO_Whitepaper_v*.md` — citable description of the method. - `AWO_Method_Spec_v*.md` — normative requirements and conformance checklist. - `citation.bib` / `CITATION.cff` — citation metadata. - Figures used by docs in `../figures/`.

Publishing - Tag releases; archive on Zenodo for DOI-backed versions. - Keep document version numbers in sync with releases.
